Hello Dr.,

Thank you for your interest in upgrading to G Suite Education. In response to the international impact of COVID-19, we are expediting upgrade requests from all impacted countries. This means our typical resolution time of 14 business days will be significantly shorter. In the meantime, please complete the steps below.

First, please make sure your domain is verified since this step is required before we can begin processing your application. Looking for additional resources on how to do this?

- Domain verification video tutorial
- G Suite for Education Quickstart IT Setup Guide

Please note if you purchased your domain during the sign up it should be automatically verified within 24 hours and no action is necessary.

Once the step above has been completed, please begin gathering the required documentation for the next part of your approval process. In order for us to confirm your eligibility, we will be requesting:

1. Official website of the educational institution
2. Institution's official accreditation document stating educational status (provide a scanned copy)
3. Proof of nonprofit status
 - a. [US] Employer ID/Federal Tax ID number or proof of 501(c)3 status (provide a scanned copy)
 - b. [Non-US] Official document stating non profit status (provide a scanned copy)
4. Your name, contact email (not related to G Suite account) and title/role/affiliation with your educational institution

We are doing our best to accommodate educational institutions as much as possible during this time. Please complete the steps above to assist us in expediting your upgrade and we will be in touch via email as soon as possible.

Sincerely,

The G Suite for Education Team

Welcome to G Suite for Education! We reviewed your application and are excited to upgrade your domain. I'm including a selection of resources to help guide your implementation.

Best Practices for Deployment

We recommend reading the [G Suite for Education Quick Start IT Setup Guide](#) to discover best practices and learn how to create users and setup policies. There are more resources to help you deploy G Suite below, or find a partner here to aid with your technical setup.

- Review the G Suite for Education Help Center for commonly asked questions
- Google for Education Privacy & Security Information, access FAQs about student data protection and privacy
- Google Cloud Directory Sync, synchronize data with your LDAP directory server
- Google Cloud Password Sync, keep your users' G Suite passwords in sync with Active Directory passwords
- G Suite Release Calendar, keep track of upcoming features rolling out to your domain
- Looking for enhanced security and data features? [G Suite Enterprise for Education](#) upgrades your digital environment with advanced security controls and education tools that elevate teaching and learning.
- Visit the G Suite for Education homepage for product-specific details, customer testimonials and our webinar schedule.

In the Classroom

Are you using G Suite to deliver distance learning? Check out [Teach from Home](#), a temporary hub of information and tools to help teachers during the coronavirus (COVID-19) crisis.

- Google for Education Teacher Center contains free training to learn how to use the tools in a pedagogically sound way
- Encourage educators to register for Getting Started with Google for Education for bite-size product training video tutorials
- Google for EDU Certifications, demonstrate knowledge with Google Educator, Trainer, and Innovator Certifications
