## 21. Name of the Activity: Interactive session on Future Business Shark

**FUTURE BUSINESS SHARKS™  
ORGANISED BY GGSCW-26**

**The Asian Business Times Network**

**Chandigarh:** Post-Graduate Department of Commerce of Guru Gobind Singh College for Women, Sector 26, Chandigarh organised a "Future Business Sharks" event in collaboration with hitbullseye and TIE Chandigarh. The aim of conducting this event was to identify young budding talent and give them a platform to exhibit their knowledge and creativity, and mould them into future leaders. The experience was beneficial to the students in terms of their career prospects and will make them industry-ready. A Quiz was also conducted based on case studies and critical thinking and winners were awarded prizes for the same. Principal, Dr. Jitinder Kaur, lauded the efforts of the Commerce department in organising such event and motivated the students to perform to the best of their abilities. A total of 197 students participated in the event with great zeal and enthusiasm.

### ABOUT THE COLLEGE:

Guru Gobind Singh College for Women was established by the Sikh Educational Society in the year 1973, with the primary aim of imparting quality education to young women, so that they feel empowered to face the changing world. The mainstay of the institution has been to prepare students to lead a wholesome life, by nurturing in them the human qualities as well as the abilities to emerge as smart, confident, strong, informed and responsible citizens of the globalized world. Driven by the teachings of the Sikh gurus, the College has been progressing steadfastly towards realizing its mission of creating balanced minds wherein knowledge is teamed with ethical thinking. Ranked as one of the pre-eminent institutions of the region, the College is located in the prime area of Sector 26, Chandigarh. The spirit of the College is embedded in its motto, SHUBH KARMA TE KABHUN NA TARON, implying 'Never to stray from the path of righteousness'. Catering to the all round development of its students, the College fosters in the young minds the spirit of healthy nationalism, social responsibility, moral uprightness, feelings of compassion and love, care for environment, and above all a life of service and sacrifice as exemplified by Guru Gobind Singh Ji. The College is privileged to be governed by a duly constituted and elected body, the Sikh Educational Society (SES), Chandigarh. Formed in 1937 in Lahore, with a vision to modernize the educational, cultural and social environment of the region, SES comprises of eminent bureaucrats, philanthropists, scholars, prominent educationists and administrators.

### ABOUT THE DEPARTMENT:

Post Graduate Department of Commerce was incorporated in the year 1990 with B. Com thereon M. Com in 2005. Since its inception, the qualified and dedicated faculty of the Department has worked

towards putting it on the trajectory of success. Seminars, conferences, expert lectures, annual fest, and related activities are a regular feature of Department functioning. The Department has 21 faculty members with 10 Ph.Ds.

### CONCEPT NOTE:

The seminar sponsored by College Development Council, Panjab University, Chandigarh would focus on the concept of 'Digitalization' which is the greatest transformational force of today's era. Under the influence of digitalization over the past three decades, decisive impact has been observed across the globe, though the pace of change varies depending on geographic region and type of industry segment. It has indeed created various new opportunities for people in business, policy makers, economists and industry leader but at the same time brought a number of challenges. The seminar will expose the participants to the concept of 'Digitalization' and let them critically analyse the concept and also study its impact on markets, economy, job creation and society. The seminar intends to churn out different perspectives, views, suggestions; recommendation on the themes discussed, which will cater towards making India and the world a digitally smart nation. Apart from invited lectures from experts, the seminar invites conceptual, theoretical and empirical papers from faculty, independent researchers, scholars and students in the field of management, commerce and social sciences.

### OBJECTIVES:

- Reviewing the progress in digitalization and its potential consequences, in terms of prospective opportunities and challenges in global markets.
- Discussing perspectives on digitalization, future, threats and promises for the society of today and tomorrow.

- Understanding the multi-faceted and dynamic nature and impact of digitalization on society at large and economy in particular.
- To know how digitalization plays a significant role in accelerating global economic development and enhancing productivity of existing industries.
- To throw light on need for achieving inclusive sustainable growth through digitalization.
- To attain the understanding of the expanded opportunities provided through digital technologies in service sector in the present era and how it can transform the economy as a whole and across various sectors.
- To explore new practices for more efficient use of digital technologies as a key driver for a more competitive economy and growth

### DISCUSSION THEMES:

- Digital Economy: Challenges and Opportunities
- Integration of Digital Technology in Day to Day Life
- Socio Economic Dimensions of Digitalization
- Ethics of digital marketing
- E- marketing
- Digital transformation in financial services
- Business sustainability to digitalization
- Public awareness and acceptance of digital literacy
- HRD in digitalization era
- Economic Growth Vs. Job Creation in the Era of Digitalization
- Role of Digital/Social Media
- Future Prospects of Digitalization in India
- Digital Library
- Socio Legal contour of digital age
- E – Governance – Reforming Growth through Technology

NOTE: The list of sub-themes is not exhaustive. Papers on any other related issues are also welcome

## NATIONAL SEMINAR

Sponsored by  
College Development Council  
(CDC), Panjab University,  
Chandigarh

on  
**Digitalization in Global Market:  
Challenges and Opportunities**

February 26, 2020

Organized by  
Post Graduate Department of Commerce

GURU GOBIND SINGH COLLEGE FOR  
WOMEN  
A Premier Multi – faculty Post Graduate  
Institution  
NAAC Re – Accredited  
Sector – 26, Chandigarh – 160019  
[www.ggscw.ac.in](http://www.ggscw.ac.in)

## ABOUT THE COLLEGE:

Guru Gobind Singh College for Women was established by the Sikh Educational Society in the year 1973, with the primary aim of imparting quality education to young women, so that they feel empowered to face the changing world. The mainstay of the institution has been to prepare students to lead a wholesome life, by nurturing in them the human qualities as well as the abilities to emerge as smart, confident, strong, informed and responsible citizens of the globalized world. Driven by the teachings of the Sikh gurus, the College has been progressing steadfastly towards realizing its mission of creating balanced minds wherein knowledge is teamed with ethical thinking. Ranked as one of the pre- eminent institutions of the region, the College is located in the prime area of Sector 26, Chandigarh. The spirit of the College is embedded in its motto, SHUBH KARMAN TE KABHUN NA TARON, implying 'Never to stray from the path of righteousness.' Catering to the all round development of its students, the College fosters in the young minds the spirit of healthy nationalism, social responsibility, moral uprightness, feelings of compassion and love, care for environment, and above all a life of service and sacrifice as exemplified by Guru Gobind Singh Ji. The College is privileged to be governed by a duly constituted and elected body, the Sikh Educational Society (SES), Chandigarh. Formed in 1937 in Lahore, with a vision to modernize the educational, cultural and social environment of the region, SES comprises of eminent bureaucrats, philanthropists, scholars, prominent educationists and administrators.

## ABOUT THE DEPARTMENT:

Post Graduate Department of Commerce was incorporated in the year 1990 with B. Com therein M. Com in 2005. Since its inception, the qualified and dedicated faculty of the Department has worked

towards putting it on the trajectory of success. Seminars, conferences, expert lectures, annual fest, and related activities are a regular feature of Department functioning. The Department has 21 faculty members with 10 Ph.Ds.

## CONCEPT NOTE:

The seminar sponsored by College Development Council, Panjab University, Chandigarh would focus on the concept of 'Digitalization' which is the greatest transformational force of today's era. Under the influence of digitalization over the past three decades, decisive impact has been observed across the globe, though the pace of change varies depending on geographic region and type of industry segment. It has indeed created various new opportunities for people in business, policy makers, economists and industry leader but at the same time brought a number of challenges. The seminar will expose the participants to the concept of 'Digitalization' and let them critically analyse the concept and also study its impact on markets, economy, job creation and society. The seminar intends to churn out different perspectives, views, suggestions; recommendation on the themes discussed, which will cater towards making India and the world a digitally smart nation.

Apart from invited lectures from experts, the seminar invites conceptual, theoretical and empirical papers from faculty, independent researchers, scholars and students in the field of management, commerce and social sciences.

## OBJECTIVES:

- Reviewing the progress in digitalization and its potential consequences, in terms of prospective opportunities and challenges in global markets.
- Discussing perspectives on digitalization, future, threats and promises for the society of today and tomorrow.

-Understanding the multi-faceted and dynamic nature and impact of digitalization on society at large and economy in particular.

-To know how digitalization plays a significant role in accelerating global economic development and enhancing productivity of existing industries.

-To throw light on need for achieving inclusive sustainable growth through digitalization.

-To attain the understanding of the expanded opportunities provided through digital technologies in service sector in the present era and how it can transform the economy as a whole and across various sectors.

-To explore new practices for more efficient use of digital technologies as a key driver for a more competitive economy and growth

## DISCUSSION THEMES:

-Digital Economy: Challenges and Opportunities  
-Integration of Digital Technology in Day to Day Life

-Socio Economic Dimensions of Digitalization

-Ethics of digital marketing

-E- marketing

-Digital transformation in financial services

-Business sustainability to digitalization

-Public awareness and acceptance of digital literacy

-HRD in digitalization era

-Economic Growth Vs. Job Creation in the Era of Digitalization

-Role of Digital/Social Media

-Future Prospects of Digitalization in India

-Digital Library

-Socio Legal contour of digital age

-E – Governance – Reforming Growth through Technology

NOTE: The list of sub-themes is not exhaustive. Papers on any other related issues are also welcome

## One day national Seminar on Digitalization in Global Market: Challenges and Opportunities (26/02/2020)

**9. Name of the Activity: Expert Talk on Recording the Choreography of Molecules and Clusters by Shedding Light on Them**

- Date: 28/09/2018
- Name of the Resource Person (Brief Detail): Dr Arijit Kumar De, Associate Professor , Chemical Sciences, IISER, Mohali
- Name of the Coordinator/ In charge: Mr S.S. Dhillion
- Venue: Seminar room, GGSCW-26, Chandigarh
- Number of Participants: 59
- Students: 50
- Staff: 09
- Objective of the Activity: The objective of this expert talk is to explain how biochemical machines are put together that intricate biochemical reaction which provides the basic machinery of living organisms. The key components of these machines are specialized protein molecules, often with a metal atom at their heart, which act as enzymes.
- Outcome of the Activity: The students became aware about Bonding and Molecular Geometry. Molecules follow the rules of chemistry dictated by the arrangement of electrons and the geometry of atomic nuclei. The intricate dance steps of molecules result from the forces of attraction and repulsion between them.
