### किशनगढ़: जीजीएससीडब्ल्यू कॉलेज ने कराया नुक्कड़ नाटक

एजुकेशन रिपोर्टर | चंडीगढ़

गुरु गोबिंद सिंह कॉलेज फॉर विमन-26 की वेलफेयर सोसायटी 'राहत' ने गांव किशनगढ़ में दो जगह नुक्कड़ नाटक पेश किए। नाटक का थीम था 'खेल का महत्व'। कॉलेज के 13 स्टूडेंट्स ने इसमें हिस्सा लिया। नाटक में बताया कि हमें जितना हो सके। फुटबॉल, क्रिकेट और कबड्डी, कुश्ती जैसे आउटडोर खेलों में हिस्सा लेना चाहिए। इनसे सेहत तो दुरुस्त रहती ही है और अगर हम बेहतरीन खिलाड़ी बन जाएं तो राष्ट्रीय और अंतरराष्ट्रीय स्तर पर खेलकर अपने देश के लिए मेडल भी ला सकते हैं। नाटक के बाद राहत के कोऑर्डिनेटर्स प्रभजीत कौर और डॉ. अराधना ने इस विषय को गांव के बच्चों और उनके पेरेंट्स के साथ डिस्कस किया। टीचर्स उनके विचार और परफॉर्मिस के अवर का आकलन करना चाहते थे।

### Summary Report:

Nature-walk was organized to enhance their awareness about the wetlands and our biodiversity.

### Outcome of Activity:

We are losing wetlands three times faster than forests. Yet, wetlands are critically important ecosystems that contribute to biodiversity, climate mitigation and adaptation, freshwater availability, world economies and more. It is urgent that we raise awareness among our young population by arranging short visits to our neighbouring wetlands in order to reverse their rapid loss and encourage actions to conserve and restore them.

**BENEFICIARIES: Underprivileged Children**

**Summary Report:**

Women's Day was celebrated by volunteers of Guru Gobind Singh College for Women, Sector- 26 on 8<sup>th</sup> march 2021. As we know, menstrual hygiene is an issue women have been facing over the years. Keeping this in view, 10 NSS volunteers and 2 NSS Programme officers visited Aashiana Children's home in Sector 15, Chandigarh and distributed sanitary napkins to 70 resident girls of the children's home. COVID-19 Norms were followed.

**Outcome of the Activity:**

The residents of the Orphanage were happy to receive something crucial to their daily lives— sanitary napkins. The volunteers also became aware of the expense of such a necessity and

understood the idea of pink tax.

**DATE: 02.02.2020**

**VENUE: Sukhna Lake and Nagar Van**

**NO. OF VOLUNTEERS: 15**

**BENEFICIARIES: Community**

**Summary Report:**

The volunteers of Vasudha Environment Society visited Sukhna Lake and Nagar Van to understand the importance of wetlands and biodiversity. The need for already vanishing wetlands has become greater than ever in this world.

**Outcome of the Activity:**

We are losing wetlands three times faster than forests. Yet, wetlands are critically important ecosystems that contribute to biodiversity, climate mitigation and adaptation, freshwater availability, world economies and more. It is urgent that we raise awareness among our young population by arranging short visits to our neighbouring wetlands in order to reverse their rapid loss and encourage actions to conserve and restore them.

The volunteers of Vasudha Environment Society planted species of plants native to the habitat of Chandigarh to educate residents and students on the benefits of such plants.

Students learnt that they are a part of the region's ecosystem and it is important to maintain the equilibrium through such species.

**Outcome of the Activity:**

Native species are the ecological basis upon which life depends, including birds and people. Without them and the insects that co-evolved with them, local birds cannot survive. So, these saplings will provide habitat to birds and other wildlife of the locality.

It is a major step in

reducing the carbon footprints of the region and towards regeneration of ecosystem.
