## Workshop on Happy Classrooms and Mind-lab Development

- An MOU was signed between Rekhi Foundation and Guru Gobind Singh College for Women, Chandigarh for Rekhi Centre of Excellence for the Science of Happiness on May 15, 2023.

- After signing of the MOU, the first interactive session organized by Rekhi Foundation was a workshop on '**Happy Classrooms and Mind lab Development**', on May 24, 2023. The objective of the workshop was to provide a brief idea of developing happy classrooms, to intensify the work on developing mind-labs and an interaction between various members of the Rekhi centres and the college faculty. The Rekhi Foundation stands strong for the spreading of happiness.

The workshop was quite informative. It brought forth the need and ways to develop happy classrooms. The purpose of happy classroom is to help students go beyond basics, guide them to be a part of bigger picture, motivate them for non-formal education and broaden their thought action range (flexible goal, inclusive social group, wider visual research). Research topics to be given as classroom projects and assignments and develop in them a curious explorer and stand strong in pursuit of attaining and spreading happiness.

It brought forth as an example the research carried forward in IIT Kharagpur about the mechanism of devotion and happiness communication through spiritual music. The spiritual music acts as a healing agent. It induces relaxed, meditative states with increased alpha and theta power in brain and reduced beta power and enhances coherence between brain regions. Use of instruments in mind lab (EEG, Polygraphy and Thermal Camera) to measure neuro-cognitive and physiological impact such as brain responses (long-term and short term), Physiological Responses (FCG, heart rate, breath rate, Galvanic Skin Response) and facial flow and temperature changes. It brought out the importance of mind-lab for the core human behaviour is driven by mental activities and it would help in assessing relationship between activities, thoughts and brain and bodily responses.

D-DCDC/23/1412  
29/5/2023

Dear Sir/Madam,

A team of NEP from Panjab University comprising Prof. Sanjay Kaushik, DCDC, Prof. Latika Sharma and other faculty members will interact with NEP college coordinators on 30.5.2023 at 11 a.m. online for colleges situated in Chandigarh, Ludhiana, Moga and Hoshiarpur.

NEP Coordinators appointed by the colleges are requested to join the online meeting. If need be, Principals can arrange a screen in their colleges for more faculty members to attend along with NEP Coordinators to understand the NEP.

The link to join the meeting will be sent by 4.00 p.m. today i.e. 29.5.2023.

**Note:** Only NEP Coordinators should login the link for meeting because there is limit to number of people who can join the online meeting.

Regards,
