Energy Management

The college emphasizes upon responsible energy usage with the purpose to maximize energy efficiency. It has adopted alternative energy sources and also various energy conservation measures.

Alternate source of energy in the college

➤ Solar Energy

A common 100MW solar power plant has been installed on the rooftop of the adjoining building of Shri Guru Gobind Singh College (a sister concern under the same management). The power generated is distributed on a consumption basis amongst all institutions governed by Sikh Educational Society. Solar Power Plant (Capacity 550 KWH – on sharing basis), approx. 30% is being used by the campus. Solar street lights are installed to save electricity.

Energy Conservation Measures

➤ Use of LED Bulbs

The college is dedicated to the installation of environmentally friendly electrical appliances that promote energy conservation and reduce inefficiencies. As part of its commitment to sustainability, the college is actively embracing cleaner energy sources, with a notable example being the widespread adoption of LED lighting technology. In an effort to reduce energy consumption on campus, approximately 50% of the traditional bulbs and tube lights have been replaced with energy-efficient LED lights. This transition to LED lighting not only exemplifies the college's commitment to eco-friendliness but also contributes significantly to energy savings within the campus.

➤ Sensor Based Energy Conservation

The campus has made a conscious effort to utilize energy-efficient lighting solutions. Furthermore, control switches have been strategically installed wherever possible to actively conserve energy. To enhance energy management and reduce wastage, automatic water level sensors have also been integrated into the water pump systems. These initiatives reflect the college's ongoing commitment to sustainability and responsible resource utilization.

➤ **Well Lit Classrooms and Library**

The design of the college supports conservation of energy. We have well-lit classrooms and library.

Water Management

The college emphasizes responsible usage and conservation of water, for which it adopts various measures. These initiatives collectively demonstrate the college's dedication towards water conservation and environmental stewardship.

➤ **Use of Treated Water for Gardening Purposes**

College uses treated water as supplied by the Municipal Corporation of Chandigarh for gardening needs. By opting for treated water, the college not only ensures the health and vitality of its landscaping but also contributes to the responsible use of resources and supports the efforts of the local municipality in recycling and reusing water resources for sustainable environmental practices. For landscaping and gardening needs, water-saving measures include the use of sprinklers.

➤ **Use of Sensors**

To enhance water management and reduce wastage, automatic water level sensors have also been integrated into the water pump systems.

➤ **Regular Maintenance**

The maintenance and monitoring of valves in the supply system are diligently carried out to prevent overflow, leakage, and spillage.

➤ **Sensitization of Students**

Students are encouraged to close taps after use, fostering a culture of water conservation in them. The institution has also invested in push tap technology to minimize water wastage, ensuring that water is dispensed efficiently. These measures showcase the college's commitment to sustainable water practices.

Waste Management

Keeping in mind the environment sustainable goals, the college has designed its own waste management policy. The aim is not only to reduce waste generation but also ensure safe and efficient waste management and recycling of waste materials much in alignment with legal regulations pertaining to waste management. The policy aims to:

- Instil a strong sense of environmental responsibility within staff and students, fostering in them an understanding of their crucial role in waste reduction and responsible disposal.
- Actively work towards reducing waste generation on campus through sustainable practices and mindful consumption.
- Encourage students' active participation in recycling and reuse programs, promoting conservation of resources and generate awareness about reduction in landfill waste.
- Organize educational programs, workshops, and awareness campaigns to not only educate staff and students on effective waste management practices and their positive impact on the environment but also the populace of our adopted villages and surrounding areas.
- Promote eco-friendly practices on campus.
- Promote active collaboration with local communities, organizations, and government agencies to collectively address waste management challenges and work towards a cleaner, more sustainable environment.
- E-Waste collection drives are carried out where staff and students are encouraged to get e-waste and steps are taken for its proper disposal.
- MOUs have been signed to ensure proper disposal of waste.

The institution strives towards cultivating a sense of ownership and accountability amongst all the members of the institution by making waste reduction, waste management and waste disposal a shared responsibility.

Divyangjan Policy

The College, not only strictly prohibits any form of discrimination, but is also committed towards eliminating any form of discrimination against differently-abled individuals. It strives to create an inclusive environment so that every person, regardless of their abilities, is treated with dignity and respect, and have access to equal opportunities.

Objective

The policy aims to provide equal opportunities, ensure access to all necessary facilities, and promote an atmosphere where everyone, regardless of their abilities, is treated with respect and fairness. It also aims at sensitizing the staff and students.

Policy

- Steadfastly adhere to the principle of non-discrimination, ensuring that no individual is subjected to unfair treatment based on their physical or mental abilities.
- Provide equal opportunities for all.
- The campus is designed and maintained to be accessible, with the provision of ramps, signage, and other accommodations to ensure that all areas are reachable and usable by everyone.
- Offer a range of support services, including assistive technologies, note-takers, and counselling, to empower individuals with disabilities in their educational and personal pursuits.
- Ensure the availability of Braille software to ease the learning process.
- Facilitate the differently-abled students with scribes, during the university examination.
- Actively promote awareness and sensitivity within our college community to create an inclusive and welcoming environment for individuals with disabilities.

3-day Rose Festival to kick off tomorrow with array of events

HT Correspondent

Chandigarh@hindustantimes.com

CHANDIGARH: The MC is all set to organise a three-day 5th Rose Festival in the city from February 17. For the first time, "light and sound shows" are being arranged in the City Beautiful on all the three days from 7 pm.

Chandigarh mayor Anup Gupta said, "The Rose Festival in Chandigarh will be organised from February 17 to 19. The Punjab governor-cum-UT administrator will inaugurate the festival at the Zakir Rose Garden on Friday amidst beautiful flower decoration at Rose Garden."

Keeping in view the comfort of people, food stalls will be arranged in the Rose Garden this time. The MC will also organise a lucky draw with 300 prizes for citizens submitting feedback on Swachh Survekshan 2023.

MC awards for best gardens

The Chandigarh MC on Wednesday announced the results for the flower/garden competition and adjudged Sector 18-D as the best neighbourhood parks in the city maintained by the Resident Welfare Association (RWA).

In the category of "best internal park maintained by Group Housing Society of Chandigarh", Sector 51-B bagged the first position. In the large garden category with area of over two kanals, Dr Akhil Bhargava of Sector 8-B got the first prize whereas Ritu Verma of Sector 32-D got first prize in medium garden category with area of over one kanal but less than two kanals. In the small garden category with area less than one kanal, Rupinder Pal Kaur and Gurleen S Boparai of Sector 15-C got the first prize. Dr Manjari Bhargava of Sector 8-B got first

prize in the best terrace garden in the city.

Among the government institutes, CSIR-IMTECH of Sector 39-A got first prize in the best large garden with area of over four kanals whereas EIC PWD of Sector 3 got first prize in small garden of area less than four kanals. CITCO roundabouts of Sector 16, 17, 22 and 23 was declared the best roundabout whereas Dr Jatinder Kaur, Guru Gobind Singh College Sector 26, got first prize in maintaining the best college campus. Northridge International School, Sector 46-A, has the best private school campus. Prof RC Paul Rose Garden, Panjab University, Sector 14, got first prize for maintaining open space. Gurudwara Patshahi Dasvin, Sector 8-C, got first prize in the category of "best bhawan/religious place and any other non-govt premises maintained".

APPRECIATION LETTER

It gives me immense pleasure to recognize and appreciate our association with Guru Gobind Singh College for Women, Sector-26, Chandigarh for last more than 10 years. They have been helping our visually impaired students regarding providing scribe/writers as and when we approached them. Infact the Principal and the entire staff deserve commendation for their wonderful cooperation and promoting the concept of inclusive education. Couple of students also recorded important lesson/extracts etc. on audio CD for the benefit of visually impaired. We look for similar cooperation/collaboration and coordination for the welfare of our students. Once again we appreciate the sincere efforts of Guru Gobind Singh College for Women, Sector-26, Chandigarh for their keen interest in the upliftment of visually impaired.

Madam

It gives me immense pleasure to put on record that our Institute is receiving full support and co-operation from Dr. Jatinder Kaur, Principal of GGSCW, Sector 26, Chandigarh, as and when we approach her and her staff members. It is also worth mentioning that Institute for the Blind has been associated with the said college from last five years.

Recently, the NSS incharges **Dr. Savneet Kaur and Ms Madhur** arranged a scribe for visually impaired person who was appearing for banking examination. NSS volunteers of the college have been recording important books and extracts for the benefit of visually impaired students as per our requirement. I am hopeful in future also the college will sensitise more students to come forward for voluntary help of special students.

Once again, I appreciate the co-operation and timely help being rendered by the college for the betterment of visually impaired students.

With Profound Regards

Further, the following points/instructions/guidelines are also suggested to the Institute Nodal Officer for smooth functioning of scholarship work:-

- (i) Institute Nodal Officer instruct their eligible students that 'All renewal applicants/students, who have got scholarship during 2020-21, shall apply by giving their existing Application ID'
- (ii) All Universities/Institutes/Colleges/Schools, having valid AISHE/UDISE/NCVT/SCVT codes, located in the State/UT should be advised to register themselves and their courses details on the NSP at the earliest so that their students can apply and they can verify such applications on the Portal within the timelines.
- (iii) The timelines need to be adhered to strictly. Technical issues, if any arising during the process of online submission, generation of merit lists and payment tolls may be resolved immediately in consultation with the NIC HQ, State NICs or contact O/o Director Higher Education, Chandigarh.
- (iv) It has been observed that after the last date (s) of verification during the previous session, large number of fresh as well as Renewal applications are left pending for verification at INOs level. Therefore, all INOs are advised to look into this issue and ensure that no application remains unverified after the last date (s) of verification during 2021-22.
- (v) All verification authorities (INO/DNO/SNO) can mark an application fake if he/she is satisfied that the applicant is not a bonafide student. In other circumstances, in case of non-fulfillment of eligibility criteria or inconsistency of records, the verifying authority may either reject the application or mark it defective and give the applicant another opportunity to correct their records.
- (vi) Aadhaar based demographic authentication of Institute/District/State Nodal Officers are compulsory. Therefore, you are requested to complete your aadhaar based demographic authentication at the earliest.
- (vii) The applicant can see the major conditions of eligibility as well as time-lines and FAQs with regards to various activities relating to submission of application form on the NSP homepage of the website i.e. www.scholarships.gov.in
- (viii) The eligible candidates can apply through online on the website of common National Scholarship portal of Govt. of India under URL, www.scholarships.gov.in. Applicant will take print-outs of the duly filled-in application forms and to submit the same alongwith all supporting documents through their respective institutes to the State/UT Department.
- (ix) All INOs are suggested to verify the applications of the students on NSP Portal using their Institute User ID and Password, well in time.
- (x) All INOs are advised to submit KYC registration form to this office, if not done previous session.

Reference to our office letter No. 4506-4705/C dated 16.03.2015 that the Principals/Chairpersons/Directors of the affiliated Colleges/ Departments/ Institutions were allowed to give permission for writer provisionally to the disabled candidates (copy enclosed).

Apart from above decision, the University has also been authorized all the Chief Coordinators to give permission for writer to blind candidates (Private/USOL/Regular) provisionally on spot. Thereafter, the proforma duly filed in all respect and attested by the concerned Chief Coordinator/Principal be submitted to the University (Conduct Branch) alongwith other relevant documents for final approval/record.

Your kind co-operation in the matter is solicited.

Yours faithfully,

Assistant Registrar (Conduct)
